

# Not All Toner Cartridges Are Created Equal!

Are all remanufactured cartridges the same quality?

No, some manufacturers concentrate on quality, others on price.

Because a cartridge cost more, is it better quality?

No, quality and price is determined by the seller.

Are all OEM cartridges naturally higher quality, new and made in USA?

No this is an image promoted by the OEM.

Can a remanufactured cartridge void my warranty?

No, this is a myth and illegal.

Are large office supply retailers the best value for toner?

No high overhead high markup.

How do I find quality?  
You have to be willing to test.

Is the quality of remanufactured cartridges the same as 2, 5 or 10 years ago?

No, some are now equal the OEM.

Is it worth the effort?  
Yes the savings can be as much as 60%
